## **MLA PROJECT FACT SHEET**

## **MUNDHAM HOUSE, NORFOLK**

Householder and Listed Building Consent Application and production of a Design and Access/Heritage Statement for the renovation and extension of a Grade II Listed house.

The proposals included renovation and extension of the existing 18th century Grade II Listed Mundham House along with the design of associated gardens.

The proposed extension comprised a single storey "orangery" style kitchen with a small link building leading to the separate utility room, gym, music room and garaging.

The combined house and garden proposals reflect the highest standards of architecture and landscape proposals appropriate for the setting of the Mundham House listed building
